

Those of us who live in the South Bay see the iconic Radar Tower on Mt. Umunhum every day of our lives. It's a landmark that personalizes our skyline; when we see it we know that we are home.

The Tower also stands as a reminder of the Cold War and the sacrifices of those who served our country at the Almaden Air Force Station on the mountain.

Your recent donation to the Umunhum Conservancy helps insure that the Tower will be preserved for future generations. Thank you very much for your support!
